EMPOWERING PARENTS TO CHOOSE AN EXCELLENT EDUCATION

WHAT IS THE INDIANA CHOICE SCHOLARSHIP PROGRAM?

Also referred to as the voucher program, the Indiana Choice Scholarship program provides state funding to qualifying families to offset private school tuition. Household annual income must be less than 300% of the Federal Free or Reduced Lunch Program limit.

Nearly half of our students receive a Choice Scholarship.

HOW DO I FIND OUT IF I AM ELIGIBLE?

Your principal will work with you to discover if you meet the three criteria:

1. The student must reside in Indiana.
2. The household's annual income must be less than 300% of the Federal Free or Reduced Lunch Program limit.
3. Each student must meet one of eight program tracks determined by the Choice Scholarship program.

WHAT IS THE SCHOLARSHIP AMOUNT?

Qualifying families are eligible for a scholarship amounting to 90% of what it costs to educate that student in the public school system in which the student resides. Scholarship amounts by district are published online by the Indiana Department of Education.

WHEN AND WHERE DO I APPLY?

Student applications are submitted electronically by the Choice school to the Indiana Department of Education.

Your first step is to contact the school to find out about every tuition assistance opportunity available to your family. The school will walk you through the application process.

The 2021-2022 Choice Scholarship student application is available through September 1, 2021 for the first application period and November 1, 2021 through January 15, 2022 for the second application period.
