

Christian Brothers Retirement Savings Plan 403(b) for the Employees of the Diocese of Fort Wayne/South Bend

Entry Dates

An employee hired on or after January 1, 2013, may participate in the Plan on the first day of the month after he/she meets the eligibility requirement of 30 hours per week, or thereafter on the start date of any quarter in the calendar year.

Employee Salary Savings Contribution

A participant may voluntarily contribute from 1% to 100% of pay into the Plan. The maximum salary deferral for the year may not exceed \$19,500 for 2021. This Plan will permit "catch-up" contributions for participants over age 50. The "catch-up" contribution for 2021 is \$6,500 and will not count against limits on employee pre-tax contributions, except that the total contribution cannot exceed 100% of compensation.

Employer Contribution

The Diocese will be providing a discretionary contribution of 2% on behalf of all eligible employees. In addition, the Diocese will match 33% of the first 3% that an employee contributes to the Plan.

- + Death
- + Disability
- + Termination of Employment
- + Financial Hardship

A withdrawal prior to age 59 ½, if the distribution is not "rolled over" within 60 days, may be subject to a 10% penalty tax. Ordinary income tax applies to the total withdrawal.

Financial Hardship

A participant may withdraw all or part of his/her salary deferral savings contributions (not earnings or employer contributions) if the participant can prove financial hardship to the Plan Administrator. Hardship is defined as an "Immediate and Severe Financial Need" and may only be applied to the following circumstances:

- + College Education (for yourself or a dependent)
- + Purchase of Primary Residence
- + Prevention of Eviction from Primary Residence
- + Deductible Medical Expense (for yourself or a dependent)

- + Repair damage to primary residence (Insurable loss not covered)

All the above are taxable and may be subject to a 10% excise tax.

Vesting

Participants are always 100% vested in their own savings contributions and any employer contributions.

Administrative Expenses

The quarterly recordkeeping fee is \$18.00 per quarter. This fee will be deducted from the participant's account.

Other Benefits

Salary deferral contributions reduce current taxable income. Therefore, current federal, and possibly state income taxes, are lowered by participating in the Plan. This does not affect Social Security taxes or other group benefits.

Effects on IRA's

As a participant in a retirement plan, the deductibility of IRA contributions may be limited or eliminated based on income.

Summary of Benefits to Employees

- + Save money for the future through payroll deductions.
- + Defer current federal and state income taxes on all monies.
- + The interest and earnings of your account accrue tax-deferred.
